LETTER FROM MANAGEMENT

Dear Shareholders and Friends,

Financial year 2018-19 was a year of evolution for the Indian Real Estate Industry due to the challenges posed by ongoing structural reforms. These challenges were further aggravated because of liquidity concerns. However, our Company specifically is focused on the Industrial and Warehousing verticals of the sector which continues to defy recent sectoral trends and shown steady growth. This is largely driven by a historically underserved market, implementation of Goods & Services Tax (GST) and an improvement in the regulatory infrastructure for Projects such as those executed by our Company.

The growing flow of FDI into Indian Real Estate & Infrastructure assets is encouraging increased transparency. Sector participants in order to attract funding, have revamped their accounting and management systems to meet due diligence standards. Furthermore, the Securities and Exchange Board of India (SEBI) has given its approval for the Real Estate Investment Trust (REIT) platform which will help in opening up of alternative avenue for investors to invest in the Indian real estate market.

Our Company's Equity Shares got listed in the Metropolitan Stock Exchange of India Limited in May 2018 and has been complying with applicable SEBI (LODR) Regulations 2015 along with Companies Act, 2013 till date. Resolving investor grievances and concerns is of utmost importance to our Company and systems have been put in place to have the same redressed on a real time basis. We request Members holding Shares in physical form are requested to dematerialize their shares into electronic form by sending a demat request to their concerned Depository Participants (DP).

From a business development standpoint, we continue to expand our Project in Mysore with approximately 50% of the development potential yet to be exploited. Further we are adding new Projects in Maharashtra and Telangana. We expect to demonstrate continued growth in our financials over the next few years. Our intention is to become synonymous with Industrial Infrastructure creation in the country.

I would like to take this opportunity to thank our Employees, our Customers, our Business Partners, Bankers and our other Stakeholders for their dedication and support. I would also like to thank our Board Members and Shareholders for their continued support and guidance.

Best Regards

Krishan Kapur
Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**1. FINANCIAL AND OPERATIONAL PERFORMANCE**

The Total Income for the current year is ₹ 16 crores as compared to ₹ 5.33 crores in the previous year. The Profit before Tax for the year under review is ₹ 3.06 crores as against ₹ 0.85 crores in the previous year. Profit after Tax during current FY stood at ₹ 2.43 crores as against ₹ 0.70 crores in the previous year.

2. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's Internal Financial Control framework is commensurate with the size and the nature of its operations. These have been designed to provide reasonable assurance about recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of Corporate Policies.

3. BUSINESS OUTLOOK

Karnataka is at the forefront of industrialisation in the country. Today, the State is one of the most attractive locations for future investments. Karnataka is considered a pioneer in the field of industrialization in India. In the era of economic liberalization since 1991, the State has been spearheading the growth of Indian industry, particularly in terms of high technology industries, such as, electrical and electronic industries, information and communication technology industries, bio-technology industries and also now in nano technology industries. In order to consolidate its leadership position, the Government of Karnataka has taken giant steps to provide a major thrust to infrastructure development through increased private initiatives. In pursuance of this objective, all the stakeholders are working closely with the Commerce & Industries Department in identifying and such projects. In pursuance of this growth oriented policies, the proposed project is planned in one of the premier industrial locations in Mysore.

The Mysore district is well established in promoting industry & tourism in Karnataka. In recent years Mysore has registered good micro, small & medium enterprises (MSME) growth as per the District Industries Centre (DIC), Mysore. The Mysore city development is moving fast in terms of establishing manufacturing and service enterprises. It is observed that a large number of projects which are cleared under DLSWCC, SLSWCC & HLSWCC are waiting the allotment of appropriate land.

The current industrial areas development process in Karnataka is largely Government driven. The main stakeholders, including, Karnataka Industrial Area Development Board (KIADB) and Karnataka Small Scale Industries Development Corporation (KSSIDC) acquire land and develop industrial areas/estates on their own and later either operate and manage these industrial areas/estates on their own or hand it over to the respective industrial association. While KIADB and KSSIDC have been successfully developing industrial areas/estates over the years, large set of Government resources are channeled into the development of the same. While the above two entities acquire the requisite lands, there has been limited exploitation of the potential land value with infrastructure creation on these land parcels and as such it is necessary to explore the route of private sector participation in the development of new industrial areas. Private sector participation would also ensure that the expertise in development and management of these industrial areas/estates is brought in and that the facilities provided are world class in nature.

FAVORABLE GOVERNMENT POLICIES.

- Government of India has introduced several policy measures in the Union Budget 2018-2019 to provide impetus to the manufacturing sector.
- Exemption from stamp duty, investment subsidy and interest free loan availability.

4. OUR PROJECT

With the above background, JCK Infrastructure Development Limited ('Developer') is currently developing a world class industrial area/estate at the campus of KIADB Belagola Industrial Area, Mysore. The Company has successfully completed Phase I project and Phase II project is on the verge of completion. In addition to the above 2, the Company will be commencing the Phase III project. With the quality of the infrastructure being developed, it is being regarded as a model industrial area through private sector participation. The said land is ideal for development of small and medium enterprises as it is part of the pre-existing and well established Belagola Industrial area.

Our Project also has the following key objectives:

- i To drastically reduce gestation period of projects for the MSME Sector by providing a plug-and-play solution.
- ii To create a thriving community of young industries with massive potential for employment generation.

We also provide service offering for the below classification of industries:

- i Cottage and Micro Industries
- ii Small Industry
- iii Medium Industry
- iv Warehousing
- v Civic Amenities/ Truck parking
- vi Parks and Open Space.

5. RISK CONCERNS AND THREATS

The following risks are faced by the Company:

- **Capital Intensive Model**

The Company focuses on joint development business model effectively sharing the associated risks and benefits attached to the industrial development projects, thus achieving capital rationing across multiple projects.

Selective distressed opportunities which are evaluated for outright purchases.

- **Dealing with Multi Government Bodies for approvals.**

The Company has full-time-best-in-class legal and liaison team and is also associated with expert consultants to obtain all the necessary approvals/licenses and comply with all the regulatory requirements in the shortest possible time.

6. ENVIRONMENTAL PROTECTION AND SUSTAINABILITY

Environmental Protection is also one of the key areas which the Company focuses upon. The Company has obtained necessary consent/approvals from Karnataka State Pollution Control Board (KSPCB), Department of Forest, Department of Ecology and Environment as applicable.

7. CAUTIONARY STATEMENT

Certain statements made in the Management Discussion and Analysis Report (MDAR) relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations whether expressed or implied. Several factors could make significant difference to the Company's Operations. These include climatic and economic conditions affecting demand and supply, government regulations, taxation, and natural calamities over which the Company does not have any direct control.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF **JCK INFRASTRUCTURE DEVELOPMENT LIMITED**

Opinion

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements **M/S. JCK INFRASTRUCTURE DEVELOPMENT LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its Profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA's) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern concept basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,

- (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **JCK INFRASTRUCTURE DEVELOPMENT LIMITED** ("the Company") as of 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

32. Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Note 1: Summary of Significant Accounting Policies, critical judgements and key estimates

1. CORPORATE INFORMATION

The Company was incorporated on 20th August, 1979 as a Limited Company under the Companies Act, 1956. The name of the company was changed to JCK Infrastructure Development Limited on 29th October 2014. The Company is primarily engaged in the business of undertaking construction or directs the management of construction of industrial and other property buildings.

The Financial Statements are approved by the Company's Board of Directors on May 20th, 2019.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1. BASIS OF PREPARATION

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act("the Act"), 2013 read with the Companies (Indian Accounting Standards) Rules 2015 and other relevant provisions of the Act. Up to the year ended 31 March 2016, the Company prepared the Financial Statements in accordance with the requirements of the previous GAAP, which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act. The standalone Financial Statements have been prepared on Historical Cost Basis, except for certain Financial Assets and Liabilities measured at fair value

The Financial Statements are presented in INR

2.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognized.

- (i) Revenue towards property development is recognized in accordance to the Guidance note "Accounting For Real Estate Transactions (Revised-2012)" issued by ICAI
- (ii) **Dividend Income.**
Revenue is recognized when the shareholders 'or unit holders' right to receive payment is established, which is generally when the shareholder approves the dividend.
- (iii) Interest on Fixed Deposit has been recognized on accrual Basis.

(b) IMPAIRMENT OF NON FINANCIAL ASSETS

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value which is in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(c) IMPAIRMENT OF FINANCIAL ASSET

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(d) CURRENT VERSUS NON-CURRENT CLASSIFICATION:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets/ liabilities are classified as non-current assets/ liabilities.

(e) BORROWING COST.

Borrowing cost that are attributable to acquisition/construction of qualifying assets that are capitalized until the time where all substantial activities that are necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/sale. All other borrowing costs not eligible for inventorisation / capitalization are charged to the Statement of Profit and Loss.

(f) CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents for the purposes of cash flow statement comprises of Cash at Bank, Cash in Hand and Short-Term Deposits with an original maturity of three months or less, which are subjected to an insignificant risk of change in value, net of outstanding bank overdrafts as they are considered as an integral part of the Company's cash management.

(g) PROVISIONS

Provisions are recognized when there is a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value unless the effect of time value of money is material. When discounting is used, the increase in the provision due to the passage of time which is recognized as a finance cost.

(h) CONTINGENT LIABILITIES

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize any contingent liability but discloses its existence in the financial statements.

(i) EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting equity dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(j) TAXES

Tax expenses comprises of current and deferred income tax.

(a) Current income tax

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Current income tax relating to items recognized as outside profit or loss is recognized as outside profit or loss (either in comprehensive or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

(b) Deferred income tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred tax assets and liabilities are recognized for all taxable temporary differences, except:

- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.
- When the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that is no longer probable that sufficient taxable process will be available to allow all or a part of the deferred that assets to be utilized.

- Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
- Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

(c) Minimum Alternative Tax

Minimum Alternative Tax (MAT) may become payable when the taxable profit is lower than the book profit. Taxes paid under MAT are available as a set off against regular corporate tax payable in subsequent years, as per the provisions of Income Tax Act. MAT paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

(3) USE OF ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Any revision to accounting estimates is recognized prospectively.

(4) PROPERTY, PLANT & EQUIPMENT

- Property, Plant and Equipment ("PPE") are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.
- Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is neither related to the construction activity nor is incidental thereto is charged to the income statement.
- Costs of assets that are not ready for use at the balance sheet date are disclosed under capital work- in- progress.
- Advances paid towards the acquisition of PPE outstanding at each balance sheet date is classified as capital advances under other non-current assets.
- Depreciation on tangible assets is provided on straight line method by amortizing the depreciable amount of an asset over its residual useful life. The residual useful life is determined as per Part 'C' of Schedule II of the Act. Intangible assets are amortized over their useful life as estimated by the management in accordance with Ind AS - 38. Assets costing less than Rs.5,000 are fully depreciated in the year of addition.

(5) EXPENDITURE DURING CONSTRUCTION

In case of new projects for expansion / modernization of existing undertakings all direct expenditure including interest on borrowings for the project, incurred upto the date of commission / completion are capitalized and added prorata to the cost of the Assets relating to the New projects.

(6) INVESTMENT PROPERTY

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. Current investments are carried at lower cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of Profit and Loss.

(7) RETIREMENT BENEFITS

(i) Provident Fund - The Company contributes to a recognized provident fund, which is as a defined contribution scheme. The contributions to Provident Fund and its administration charges are accounted for on an accrual basis and recognized in the Profit & Loss Account.

(ii) Defined Benefit Plan -Gratuity and Leave Encashment to eligible employees will be provided as per the policy of the Company.
